MOGALAKWENA MUNICIPALITY MAYORAL IMBIZO

MOKOPANE: In a bid to redress service delivery challenges, Mogalakwena Municipality Mayor Cllr Andrina Matsemela will be visiting Kromkloof Village, Ward 11 in Bakenberg cluster. Community and members of the media are invited.

The mayoral imbizo is a two way communication system which is aimed at improving service delivery and community involvement in decision-making processes of the municipality. Community members and representatives of community stakeholders from Bakenberg Cluster will have an opportunity to interact with government leaders during the Mayoral Imbizo.

The Mayor and fellow councillors will be laying the first brick of the house of Ms Rinah Manganyi. Ms Manganyi is currently residing with her seven children in a small shack under appalling conditions in Kromkloof.

Mayor Matsemela will be accompanied by fellow councillors and officials will be expected to extend a platform to communities to raise their concerns in order to strengthen public participation on matters pertaining to service delivery.

Government Departments and parastatals viz, Home Affairs, SASSA, SAPS, Health etc will provide individual service to the people.

The EXCO Imbizo will be held as follows:

DATE : 05 May 2017
TIME : 10h00
VENUE : Kromkloof Sports ground
CLUSTER : Bakenberg
