NOTES

The Power Rodder is an efficient and powerful heavy duty drain cleaning machine. It is designed for easy portability and uncomplicated operation. Driven

by a powerful petrol engine, the Power Rodder rotates drain rods in the line to clear even the most stubborn blockages. The Power Rodder is the ideal drain cleaner and is highly recommended for municipal, industrial and commercial use.

The powerful petrol motor supplies enough power and torque to clear even the most stubborn blockages, with easy-to-use rod rotation controls which allow for trouble-free operation.

It has a rugged design with three rubber wheels mounted on the base for good stability and easy mobility and with it being locally designed and manufactured, all accessories and replacement parts are easily available and affordable.

The Power Rodder is recommended for use with Heavy Duty 2 metre rods, and can turn up to 180 metres of rodding at a time (90 Rods at 2 metres each).
