

INVITATION TO ENGAGE

6 September 2023
Morning 9:00
Arend Dieperink Museum

Invitation to engage with all Financial, Legal & Compliance Sector as well as Property Development Stakeholders, projects, informal, small & commercial business holders. The aim is for a dynamic local economic development (LED) focus and dedication. For LED to work the following ingredients of Creativity, Enthusiasm, Determination, Belief and Hope for the Future are required. Come and participate by raising your voice anonymously through a card system when relevant issues are raised through a question session. Your contribution is of immense value to assist the municipality with a LED strategy that is practical and can be implemented to bring focus, investment, and growth to the financial, legal and property development related economy and impact your environment.
