

INVITATION TO ENGAGE / INVITATION TO ENGAGE / INVITATION TO ENGAGE

**SUSTAINABLE
MINING**

8 September 2023

Morning 9:00

Arend Dieperink Museum

Invitation to engage with all Mining & Green Economy Sector Economy Stakeholders, artisanal, small & commercial business holders. The aim is for a dynamic local economic development (LED) focus and dedication. For LED to work the following ingredients of Creativity, Enthusiasm, Determination, Belief and Hope for the Future are required. Come and participate by raising your voice anonymously through a card system when relevant issues are raised through a question session. Your contribution is of immense value to assist the municipality with a LED strategy that is practical and can be implemented to bring focus, investment, and growth to the mining economy and impact your environment. ESG compliant and sustainable as sector.
