

RESEALING & PATCHING OF POTHOLES UNDERWAY

MOKOPANE:The Limpopo MEC for Department of Public Works, Roads and Infrastructure Dr. Namane Dickson Masemola and the Mogalakwena Local Municipality Mayor, His Worship Cllr Ngoako Thulane Taueatsoala have this morning assured the residents of Mahwelereng Township and Mokopane that potholes will be a thing of the past as the equipment's will be on site Tuesday (04th of January 2022) afternoon to start with massive resealing and patching of potholes.

Indeed on Tuesday evening Mayor Taueatsoala who was accompanied by Speaker Pheladi Olifant, Chief Whip Staff Tsebe, Acting Municipal Manager Mr Hendrick Ngoepe and other officials were on site patching potholes in town.

"As government, if we don't do this, the situation in our municipality and in town will deteriorate. The public will become unhappy and uncomfortable driving on our roads and in our town and this will affect our economy. We thank MEC Masemola and Road Agency Limpopo (RAL) for responding swiftly to our request to intervene," said Mayor Taueatsoala.
