6. MBD 9: CERTIFICATE OF INDEPENDENT QUOTATION DETERMINATION

1. This Municipal Quotationding Document must form part of all quotations¹ invited.
2. Section 4(1)(b)(iii) of the Competition Act, No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by firms, or a decision by an association of firms, if it is between parties in horizontal relationship and if it involves collusive quotationding (or quotation rigging)². Collusive bibbing is a per se prohibition meaning that it cannot be justified under any grounds.
3. Regulation 38(1) of the Municipal Supply Chain Management Regulations prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a) take all reasonable steps to prevent such abuse;
 - b) reject the quotation of any quotationder if that quotationder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c) cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the quotationding process or the execution of the contract.

4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when quotations are considered, reasonable steps are taken to prevent any form of quotationrigging.
5. In order to give effect to the above, the attached Certificate of Quotation Determination (MBD 9) must be completed and submitted with the quotation.

I, the undersigned, in submitting the accompanying quotation:

4. Each person whose signature appears on the accompanying quotation has been authorized by the quotationder to determine the terms of and to sign the quotation, on behalf of the quotationder.

 - b) could potentially submit a quotation in response to this quotation invitation, based on their qualifications, abilities or experience; and
 - c) provides the same goods and services as the quotationder and/or is in the same line of business as the quotationder.
6. The quotationder has arrived at the accompanying quotation independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium will not be construed as collusive quotationding.

7. In particular, with limiting the generality of paragraph 6 above, there has been no consultation, communication, communication, agreement or arrangement with any competitor regarding: a) prices;
- b) geographical area where product or service will be rendered (market allocation);
 - c) methods, factors or formulas used to calculate prices;
 - d) the intention or decision to submit or not to submit a quotation;
 - e) the submission of a quotation which does not meet the specifications and conditions of the quotation; or
 - f) quotationing with the intention not to win the quotation.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this quotation invitation relates.
9. The terms of the accompanying quotation have been, and will not be, disclosed by the quotationder, directly or indirectly, to any competitor, prior to the date and time of the official quotation opening or of awarding of the contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to quotations and contracts, quotations that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act, No. 89 of 1998 and/or may be reported to the National Prosecutions Authority (NPA) for criminal investigation and/or may be restricted in terms of the Prevention and Combating of Corruption Activities Act, No. 12 of 2004, or any other applicable legislation.

¹ Includes price quotations, advertised competitive quotations, limited quotations and proposals

² Quotation rigging (or collusive quotationding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and/or services for purchasers who wish to acquire goods and/or services through a quotationding process. Quotation rigging is, therefore, an agreement between competitors not to compete.
