All tariffs have been rounded to the nearest 10 cents

**1. PROPOSED ELECTRICITY TARIFFS**

NERSA and Eskom are still awaiting the outcome of the high court application to finalise the electricity tariffs for 2022/23. We are therefore using the CPI of 4.8% in the interim.

**2. ELECTRICAL CONNECTIONS**

Electrical connections are done per individual quotation due to the unique applications of each connection.

The quotation is based on the ruling tariffs at the time of application, plus VAT.

**VAT has been included (where applicable) at the rate of 15%.**
