

MATRICES URGED TO REPEAT 100% PASS RATE

GA-MOKABA: Matrics who are in their final year at Mmolawa Secondary School in Ga-Mokaba Village were this morning urged by the Mogalakwena Local Municipality Mayor, His Worship Cllr Malesela Frans Mokwele to follow in the footsteps of their predecessors, who achieved a 100 percent pass rate in the 2020 academic year.

“You can only achieve this through hard work. You are very fortunate to have such dedicated teachers who are readily available to assist you. For the rest of 2021, forget about anything else that will distract you from learning and put your books first” said Mayor Mokwele, who visited AB Makapan Secondary School on Friday for also obtaining 100% pass rate.

The newly appointed Principal at Mmolawa Secondary school, Mrs. Leah Khoza praised and thanked everybody who contributed in this massive improvement of matric results as they have recorded 100% pass rate compared to 33% pass rate in 2018 and 66% in 2019 they obtained previously.

School principal Mrs Khoza said, “I am sure that our pupils have been encouraged by the Mayor's visit and that they will sustain the 2020 pass rate.”

The Mokopane Circuit Manager Mr Jan Ralekgokgo in his congratulatory statement emphasized that they will continued to support every school in their circuit to attain better results.

The top three learners from Mmolawa Secondary School who received laptops from Mayor Mokwele are: Maphoroma Tshepho, Bambo Carlton and Laka Thanang.
