

**MOKOPANE:** The Mogalakwena Local Municipality proudly congratulates the Mogalakwena Education District for achieving the number one position in Limpopo's 2025 National Senior Certificate (Matric) results. This outstanding achievement marks the second consecutive year that the district has topped the provincial performance rankings, reflecting sustained excellence in education within our municipality.

Announcing the results earlier today, Limpopo MEC for Education, Ms. Mavhungu Lerule-Ramakhanya, commended the District Director, Mr. Ndo Mangala, together with his management team, educators, learners, and parents for their unwavering commitment and exceptional performance.

Limpopo Province recorded an impressive overall matric pass rate of 86.1% in the 2025 examinations. The top-performing districts in the province are as follows:

Vhembe West (86.9%)

Sekhukhune East (86.7%)

Vhembe East (85.9%)

Mopani East (85.1%)

Capricorn South (85.0%)

Sekhukhune South (83.7%)

Waterberg (82.7%)

The continued success of the Mogalakwena Education District is a source of pride for the Mogalakwena Local Municipality and serves as an inspiration to our communities. This achievement is a clear testament to the collective hard work, discipline, and dedication of learners, educators, school management teams, parents, and all education stakeholders.

The Mogalakwena Local Municipality remains committed to supporting education as a key driver of social and economic development and extends its heartfelt congratulations to all who contributed to this remarkable success.
