**MABULADIHLARE:** Wrapping up Women's month celebrations, the Mogalakwena Municipality Councillors, led by Mayor Her Worship Cllr Andrina Matsemela handed over 200 blankets to pensioners of Ward 9 villages.

The blankets were generously donated by Mayor Matsemela after the beneficiaries were identified by village Indunas.

Speaking at the handover ceremony which took place at Mabuladihlare village, Mayor Matsemela reminded attendants how important it is that the both the young and the elderly don't forget where they come from and what the ANC government has done for them in less than 25 years of democracy. She encouraged and advised them to come out and to support the ANC led government and its activities and programmes.

Explaining how the handover came about, the Mayor said; "This year in June we donated blankets and houses to some residents in the Mapela cluster, we then sat down agreed that we should come here and give you residents of Ward Ward 09 these blankets. We also want to thank you for your continued support you gave the ANC during the Ward 09 by-elections as we emerged victorious."

"Currently we are busy with Harmandal and Mabuladihlare tar road, we are pleading with you to be patient with us as we continue providing basic services per financial year' said Mayor Matsemela.

Mayor Matsemela further urged the audience to rally behind the incoming Ward 09 Councilor Mr Tjapala Lucas Mooka and attend all meetings to easily identify service delivery challenges.
